

OPERATION

To The RESCUE

Does your organization need donations?*

Chase It Pet Toys, (a Band of Mookies Company) recently started Operation 'Chase It To The Rescue' This program is now available to all Rescue Organizations and Shelters of Dogs, Cats, and Ferrets. Sign up NOW and start the flow of desperately needed financial support! Here is our Mission...

Chase It Pet Toys is dedicated to raising more than \$1,000,000 for Rescues and Shelters across America by the end of 2009. In supporting rescue efforts ourselves for many years, we understand how hard it is for these volunteer organizations to raise the much needed funding for pet food, housing, and health care. Much of the time, a Rescue is financed by the volunteers who run them. Chase It Pet Toys has an alternate plan:

- Your Organization will be issued a special code number used for on-line or phone orders.
- \$5.00 from all orders of our 40" or 48" Toy that you refer to us will go to your organization!
- Send your friends, relatives, and adopters, the more orders you send, the more \$ you make.
- Donation checks for all orders with your code number will be issued to you every month.

At Chase It Pet Toys We Care...Let's keep our new friends happy and healthy.
